INFORMATION

Headlamp usage is mandatory.

<u>Keep right on all hallways, rooms and staircases.</u>

Runners exiting the room, staircase or narrow space have the advantage.

Be mindful of the slippery floor and school inventory.

Control descriptions will be printed on the map and available at the start.

Map is NOT oriented to the north so forget about the compass.

Control description means: above (or under) the bench/table/closet or staircase plateau.

Green areas on the map mark large closets/wardrobes (taller than 1 meter), while blue areas mark glass showcases.

Some hallways can be **ONE-WAY**. Such hallways are marked with red arrows <<<<<<<<<<.

Control can be placed at the corner of closet and the building wall, where control description will be marked as building corner.

Big red numbers on the map mark the floor number. There are multiple ways to find out on which floor you are on 😊

Spiked shoes are strictly forbidden.

You MUST leave the map at the finish line until the time of the last start. Maps are not waterproof.

Control points are NOT marked with orienteering flags, there is only SI station. There can be multiple SI stations in one room, please don't rely on the acoustic signal for punch confirmation.

Main school entrance will be closed, please use the side entrance. Directions to the parking and side entrance can be bound here:
